

St. Joseph's Apartments, Silver City, New Mexico 88061

St Joseph's is a complex of over 100 years old buildings that occupy an entire block of an Historical District in the Town of Silver City.

The name is derived from the hospital, founded by the Sisters of Mercy in 1891, which was originally located here.

The property is now a private residence with a number of apartments.

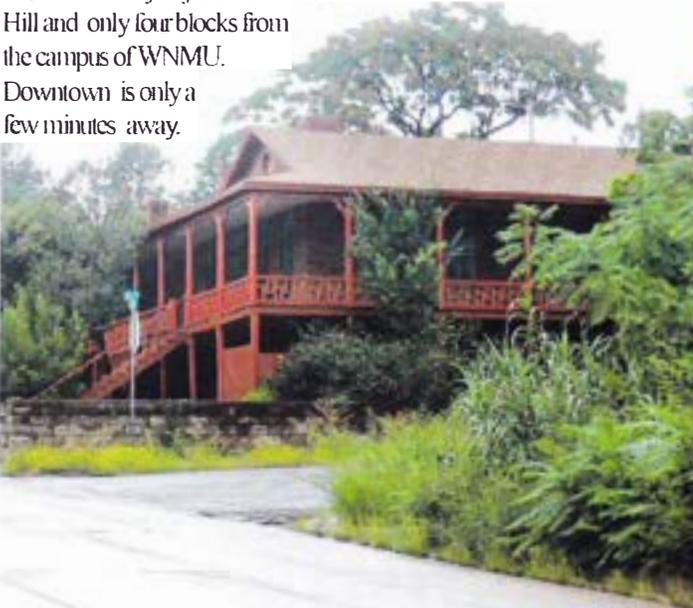

There is a generous courtyard with a complete out-door kitchen, firepit and gazebo that are available for private functions as well as a distinctive library that has presentation facilities for either business or entertainment.

St. Joseph's is bounded by West Kelly Street to the north, West Market Street to the south and by 'B' and 'C' Streets to the east and west respectively.

It is immediately adjacent to Boston

Hill and only four blocks from the campus of WNMU.

Downtown is only a few minutes away.
