Renters Insurance

What A Resident Needs to Know

We require our residents to have renters insurance with a liability component minimum of \$100,000. You may choose any insurance company that you wish, however our company does offer insurance through our insurance provider which can be purchased through your tenant portal. Having renter's insurance will meet your lease requirement and also provide protection for your personal belongings from theft or damage.

Lease Insurance Policy Coverage Requirement: \$100,000 Legal Liability for damage to property.

The coverage provided by our resident liability program meets the minimum insurance requirements of your lease. The policy covers only your legal liability for damage to the property (covered losses include fire, smoke, explosion, water damage or backup or overflow of sewer, drain or sump) up to \$100,000.

Please Note: You are under no obligation to participate in our resident liability insurance program. You may satisfy the lease minimum insurance requirement by obtaining and maintaining (during the duration of the lease) a personal renters insurance or liability insurance policy from an insurance agent or insurance company of your choice and providing proof of coverage (adding Freedom Property Agent as an additional interest on the policy and providing us a copy of the declarations page).
